## **More Campus Buildings Become Smoke Free Effective June 1**

More buildings on La Salle's campus will become smoke free effective June 1. Only student residences will be excluded from the June 1 deadline. Administration officials adopted this policy based on recommendations and findings by the University's Health Advisory Committee.

University officials cited health concerns for smokers, as well as "second-hand smoke," for adopting the policy. In addition, smoking will be eliminated from Resident Halls this coming academic year. Apartment complexes will become smoke-free as of fall, 2005, and townhouses will become smoke-free as of fall, 2006. This element of the overall policy change was brought forward by the Community Development Advisory Board, working in coordination with the Health Advisory Committee and the Division of Student Affairs.

During the 2002-03 school year, the Health Advisory Committee conducted surveys among faculty and staff to gauge perceptions about smoking and found that a majority preferred a non-smoking environment.

"This policy brings us in line with comparable institutions in our area," said Provost Richard Nigro. Villanova, St. Joseph's, Drexel and Temple, for example, already have this policy in place.

For the past few years, the Health Advisory Committee has been conducting surveys of students and, based on its findings, recommended that smoking be eliminated from the Blue and Gold dining areas and from the Food Court and Intermissions areas in the Student Union Building. Smoking was permitted in the "Backstage" area, but that, too, will now be smoke free.

La Salle University's Weekly Informational Circular

## La Salle CAMPUS NEWS New Design and New Distribution!

In the coming weeks, the Campus News will be changing in regard to appearance and distribution. Mail and Duplicating and Portal Communications have teamed up to provide the La Salle Community with what we believe to be a new and improved Campus News.

**New Design and Layout:** The new Campus News will take on a news magazine/newsletter look that will represent the University in an enhanced, professional manner. The Campus News will now feature specific departments or categories where news stories will reside. The departments listed for each issue will, of course, be dependent upon the news submitted for that week. The following news departments have been established to meet the needs of the constituents of the University:

- General News
- Academic News and Events
- University Ministry and Service
- Sports and Campus Events
- Meeting Minutes
- Employment Opportunities at La Salle

Other categories may be created as deemed necessary by the structure and layout of the publication.

### **Accessibility:**

The Campus News will be accessible through the mylasalle portal. This provides employees with the ability to access Campus News from anywhere where there is Internet access. Beginning June 4<sup>th</sup>, Employees will see a link on the Welcome Page of the portal where they can download the Campus News at their leisure.

There will also be a Campus News archive that will allow employees to look up past issues.

### **Distribution of the Campus News**

Due to the fact that employees will be able to view/print *Campus News* from their desktop computers, distribution of hard copies of the Campus News will be limited to those without computer access. Each campus department will receive one hard copy issue for posting.

### **Men's Basketball Names Assistant**

**FORMER RICHMOND HEAD COACH DOOLEY JOINS HAHN'S STAFF**

PHILADELPHIA, PA – La Salle University and head coach Billy Hahn announce the addition of Bill Dooley to the men's basketball staff.

Dooley, 44, brings 19 years of coaching experience to the Explorer bench. His credits include four seasons as the head coach at the University of Richmond, a two-year run as the head coach of the Irish National Team and, most recently, the head job at Delaware Valley College in Doylestown, PA.

"We are very fortunate to be able to bring a guy like Coach Dooley into our program," said Coach Hahn. "He brings an exceptional amount of experience to our staff and should have a positive impact upon this team."

In his tenure as head coach at Richmond (1993-97) he was named Colonial Athletic Association Coach of the Year in his first season, recruited four CAA all-Rookie team members, a CAA Player of the-Year and CAA Rookie of the Year and assembled the team that went to the NCAA tournament in 1998.

Dooley played at Richmond and joined Dick Tarrant's coaching staff in 1985 until 1993. His tenure as an assistant included the infamous Spider teams that upset Indiana, Georgia Tech and Syracuse in the NCAA tournament.

He is a 1983 graduate of the University of Richmond where he also earned his masters in Sports Management.
